*Insurance Fee (Letters only)*—6d. for every £12 of value in addition to the postage and registration fee.

*Limits of Size (limits of weight are shown in Table, columns 4 and 5).*

*Letters*—Letters or articles paid at the letter rate of postage may not exceed 18 inches in any one direction except that when in form of a roll they may measure 30 inches in length by 4 inches in diameter. Letters to the British Empire may measure 2ft. by 18ins. *Limit of weight to all countries* = 4lbs. 6oz.

*Post-Cards*—Maximum size 5½ ins. by 3½ ins.

*Printed and Commercial Papers*—Limits of size for packages of printed and commercial papers is the same as for letters.\*

\*The maximum weight of packages of printed papers is shown against each country in column 4 of Table. Single volumes of printed books sent separately to any destination may, however, weigh as much as 6lbs. 9ozs.

*Samples*—Packets of samples addressed to the British Empire may not exceed 2 feet in length and 1 foot in width or depth. Packets for foreign countries must not exceed 12 inches in length, 8 in width and 4 in depth, unless in form of a roll, for which the limits are 12 inches in length and 6 inches in diameter.

*"Blind Literature"*—Packets containing papers impressed for the use of the blind sent to any place abroad are accepted up to a maximum weight of 6½ lbs. The prepaid rate of postage on such packets is:—

1 lb.	..	½d.	4 lb.	..	2d.
2 lb.	..	1d.	5 lb.	..	2½d.
3 lb.	..	1½d.	6½ lb.	..	3d.

In all other respects the regulations as regards printed papers apply.

The sender of a parcel post parcel for any place abroad must fill up a Customs Declaration on a form provided for the purpose. There are two forms in use—one yellow, (No. 741) and one white. In column 14 of Table following, the letter "W" signifies that the white form must be used, and the letter "Y" that the yellow form must be used. The figure following the letter "W" shows the number of copies of the customs declarations which are required in each case. When the white form is used, the sender must also fill up a Dispatch Note (supplied at all Post Offices) which must accompany the parcel.

Every parcel post packet addressed to the United Kingdom or any of His Majesty's Colonies or Dominions will bear an extra tax of 3d., except those which are addressed to members of His Majesty's Navy and Army.

On every parcel or packet containing dutiable matter arriving in the Island through the post a tax of 3d., will be collected.

*NOTE*—The rates of postage on foreign parcels shewn in cols. 9 to 12 are revised to date of going to press. As the British Post Office, however, frequently changes its rates of postage it follows that the postage on parcels from Jamaica to European and other countries, sent through London, are also subject to change during the next 12 months.

Reference should therefore be made to the latest Edition or Supplement of the London Post Office Guide in computing postage on parcels addressed to such places. The rate is arrived at by adding 9d., 9d., 1s. 6d., and 2s. 3d. to the four steps of the British quadruple scale of postage.
