An additional commission of two cents for each \$2.00 or fraction of \$2.00 with a minimum charge of three cents is deducted by London on all orders sent through the intermediary of the United Kingdom. (Money Orders drawn on the Irish Republic (Eire) are treated as "through orders").

Restrictions

Provided a permit from the Bank of Jamaica is obtained the maximum amount for which a single order can be issued is as shown against the country of payment in column 3 of the Money Order and Postal Order Schedules.

All money orders are expressed in Jamaican dollars except those for Canada, the U.S.A. and the Canal Zone which are expressed in the currency of the respective countries.

No money order may contain a fraction of a cent.

Money Order Application Form

The remitter of a money order must enter in ink, or in copying-ink pencil, on a Money Order application form, obtainable at any money order office, the particulars required. No alteration or erasure in respect of the amount or name and address of the payee is permitted on the application form. The names of the remitter and payee must include the surname and at least the initial of one Christian name. If the remitter is unable to furnish the required Christian name or initial he should make a note on the application form to this effect and the money order will be issued at his risk.

Money Orders, contd.

The Postmaster General accepts no responsibility for wrong delivery or payment resulting from, or facilitated by, indistinctness, inaccuracy or incompleteness of the particulars furnished on the application form.

Documents Handed to Remitter

The issuing Postmaster will hand to the remitter either:—

- (a) a money order to be forwarded by post to the payee for presentation at the office of payment; or
- (b) a certificate of issue. In cases where certificates of issue are used the money order will be sent to the payee from the chief office of the country of payment.

Period of Validity of Money Orders

Money Orders issued in Jamaica for payment abroad remain valid for twelve months from the last day of the month of issue and in Austria, Brazil, India, the Netherlands Antilles territory they are valid for eight months and Uruguay for six months only.

Money Orders issued abroad for payment in Jamaica remain valid for a period of six months, except for British Telegraph Money Orders which remain valid for a year and those issued in the United States of America which remain valid for twenty years.

Notwithstanding the above, orders presented for payment after the periods listed below should be referred to the Postmaster General for approval of Payment.

U.S.A. AND CANADA	3 months after the date of issue.
UNITED KINGDOM	1 month after the end of the month of issue.

Orders presented after expiry of the period of validity can only be paid after special authority has been obtained from the country of issue.

Advice of Payment

Where the remitter of the money order desires to be advised of the date of payment of the order, he may apply to the office of issue either at the time of issue of the money order or subsequently and pay a fee of two cents. The issuing Postmaster will then arrange for an advice of payment to be sent to the remitter.

Payment

Orders are paid in the currency of the country of payment and payment is subject to the regulations of that country.

The rates of conversion of the amounts of money orders issued in or drawn for payment in countries where the currency is other than sterling are liable to variation.

Money Orders from countries other than the Bahamas, Canada, U.S.A., Canal Zone and the United Kingdom cannot be paid unless:—

- (a) Corresponding advice has been previously received;
- (b) the advice bears the date stamp of the office at which the order purports to have been issued.

Money Orders; Telegraph Money Orders

Subject to (a) and (b) above the Paying Officer shall make payment of every order presented (otherwise than through a bank) if:—

- (i) the payee, as named by the remitter on the order, gives the remitter's name correctly;
- (ii) the name of the remitter as furnished by the applicant is in agreement with the advice;
- (iii) the money order is properly received;
- (iv) the identity of the person presenting the money order is established to the satisfaction of the Paying Officer.

A money order payable to a limited liability company, corporation or society must have the name of the company, corporation or society entered in the receipt space, together with the signature of a responsible officer such as the Secretary, Manager, Director, Treasurer or Accountant and the description of his official position.

A crossed order may be paid only through a bank. If the name of a bank is inserted, payment can only be made through that bank.

If a payee is unable to write, he may sign the receipt by making his mark which must be certified by a witness in the presence of the paying officer. The address of the witness should also be furnished.

The paying officer is not permitted to act as witness.

Wrong or Delayed Payment

After a money order has been paid the Post Office is not liable to meet any claim in connection with it, nor can any claim be entertained for loss or injury arising out of delay in payment or any other irregularity.

Duplicate Orders

When a duplicate order is required to replace a missing order, application should be made by the remitter to the Post Office of the country of origin. Applications for duplicates or orders issued in Jamaica should be made to the Postmaster General.

Abuse of System

Should it appear that money orders are being used for the transmission of large sums of money or that the system is being otherwise abused, the Post Office may increase the prescribed rates of commission or refuse to issue orders.

TELEGRAPH MONEY ORDERS

Money Orders for sums not exceeding 100 dollars may be advised by telegram from any money order office in Jamaica to any money order office in the United Kingdom subject to Bank of Jamaica regulations.

Similar amounts not exceeding 100 dollars may also be forwarded by telegraph money order from the United Kingdom to any money order office in Jamaica.

General

Telegraph Money Orders are governed by the same conditions as ordinary money orders subject to the following exceptions;—

Money Orders: Telegraph Money Orders, contd.**Charges**

The charges are as follows:—

- (a) The amount of the order
- (b) Commission at the same rate as for an ordinary order
- (c) The charge for the telegram of advice at the ordinary or "letter telegram" rate.

Address

The remitter must furnish an address of the payee sufficient to ensure delivery. If he intends that the order should be called for at a Post Office the words "Poste Restante" should be written instead of the address after the payee's name, and he should inform the payee of the despatch of the order and the name of the Post Office to which it is addressed unless this is already known to the payee. The remitter must defray all expenses and bear all losses resulting from the particulars in the telegram of advice being incorrect or insufficient to ensure payment to the proper person.

Private Communication to the Addressee

The remitter is allowed, on paying for the additional words required, to add to the official telegram of advice, any short communication in English which he may wish to send to the payee. He may also, if he so desires prepay the cost of a telegraphic reply to such communication. The full rate per word is charged for the reply.

Advice of Payment

If the remitter requires an advice of payment he must pay a fee of 2c and the cost of including the words "advice payment" in the telegram of advice. The advice of payment will be sent by post.

The Postmaster General is not liable for any loss or damage incurred or sustained by reason or on account of any mistake or default in the transmission or delivery of a telegraph money order.

No credit will be given for stamps in excess of the number allowed or affixed elsewhere than in the space provided. Stamps perforated with initials or marks, or embossed or impressed stamps cut out of envelopes, postcards, etc., cannot be used for this purpose.

Postal Orders, contd.

Period during which Orders are payable: If an order be not paid within six months from the last day of the month of issue, a commission equal to the original poundage will be charged. The commission thus paid must be affixed in postage stamps to the back of the order. Postal orders which are not presented for payment within six months from the last day of the month of issue are not paid until reference has been made to the Postmaster General.

Filling in of Order: The purchaser of a postal order must, before parting with it fill in the name of the person to whom the amount is to be paid, and is recommended to fill in the name of the office of payment as a precaution in case the order should be lost or stolen. If the purchaser does not know which Post Office is most convenient to the payee he should insert the name of the town, village or district where the payee resides. The order will then be paid at any Post Office in the place named.

Counterfoils: Every person to whom a postal order is issued should tear off and retain the counterfoil. It's production will facilitate inquiry if the order should be lost.

Miscarriage or Loss: The Postmaster General cannot undertake to consider any application respecting a postal order which has miscarried, or which has been lost or destroyed, unless the counterfoil be produced; and unless proof be given to his satisfaction that the name of the payee was inserted in the order before the holder parted with it.

After a Postal Order has once been paid, to whomsoever it is paid, the Postmaster General will not be liable to any further claim.

Payment to the Public: Before a Postal Order is paid the name of the payee and the name of the office of payment must have been filled in and the order be properly receipted. Any person presenting an order for payment may be required to sign his own name thereto notwithstanding that it may have been already signed by the payee.

Payment through Bankers: If a postal order be crossed payment will only be made through a bank; and if the name of a bank be added, payment will only be made through that bank.

Payment to sender: The sender of a postal order can obtain repayment of the amount (but not the poundage) on presenting the order and the counterfoil at the issuing office. If the order has been crossed for payment through a bank the sender must first cancel the crossing by writing across the face of the order the words "please pay cash" adding his initials.

Erasure, Alterations, &c.: If any erasure or alteration is made or if the order has not been signed or stamped by the issuing officer or if it has been cut, defaced or mutilated, payment may be refused.

Postal Orders not Negotiable: Postal orders do not, like Bank of England notes represent value in themselves. If an order is lost or stolen no person into whose hands it may fall, though himself innocent, is entitled to receive the amount of the order. The rightful owner is alone entitled to cash the order.
