POSTAL HISTORY AUCTION: PART 3 (LOTS 727-1004)

WORLDWIDE POSTAL HISTORY

INCLUDING STRONG SECTIONS OF GREAT
BRITAIN (BAG SEAL CANCELS, SHIP LETTERS, ETC),
JAMAICA, ETC., ETC.

WORLDWIDE POSTAL HISTORY

The following 278 lots comprise the properties of some 30 vendors from the U.K. and abroad; we have endeavoured to select more interesting items for this sale, and we hope that our clients and friends will enable us to hold a further Postal History auction in the not too distant future. In any case our 'General' monthly sales now include 20% or more of lots of Postal History.

Of particular note in this section are two general collections offered on behalf of collectors in Lancashire and Yorkshire, and the remarkable 'Bayfield' Collection of Jamaican covers from a collector in Middlesex. The Scottish Bagseal Collection and the group of Leith Ship Letters are also worthy of special mention; they would be very difficult collections to duplicate.
